

## 4" Cast Iron Wafer Check Valve Dual Plate

Dual plate wafer check valve with EPDM seat, epoxy coated cast iron body, and nickel plated ductile iron discs.

<b>Size</b>	4"
<b>Mechanism</b>	Dual Swing Plates (Spring Loaded)
<b>Connections</b>	Flange / ANSI 125/150
<b>Pressure Rating</b>	150 PSI
<b>Length (End to End)</b>	2.5"
<b>Weight</b>	9 lbs

### Features

- Compact wafer design can be installed in tight spaces
- Can be mounted horizontally or vertically
- Fusion-Bonded Epoxy Coating

### Materials List

No.	Part Name	Material
1	Body	Cast Iron
2	Washer	PTFE
3	Lower Shaft	SS410
4	Spring	SS304
5	Disc	Ductile Iron
6	Upper Shaft	SS410
7	Seal Washer	EPDM
8	Thread Plug	Carbon Steel
9	Seat	EPDM
