Lay Flat Punch Tool – 15 mm – Blue

15 mm lay flat punch tool (blue) — creates clean 15 mm round perforations in lay flat hose for installing starter connectors, mini-valves, and other fittings that connect to drip tape, dripline, or poly hose. The 15 mm punch creates a snug, tight-fitting hole for maximum seal reliability.

SPECIFICATIONS

Hole Size	**15 mm**
Handle Color	**Blue**
Application	**Lay Flat Hose**

FEATURES

- 15 mm perforation — creates a snug, tight-fitting hole for maximum seal reliability
- Ergonomic handle grip — squeeze action makes clean, consistent holes
- For lay flat hose — used to install starter mini-valves that connect to drip tape, dripline, or poly hose laterals
